

Turn your bathroom
into a spa™

Warmup®

Bathroom Collection

What will take your space from Bath to Spa?

Warmup's **high quality stainless steel towel warmers** are a cost-effective add-on to any bathroom. They are simple to install and not only do they warm and dry towels, but provide added heat to the room. Warmup Towel Warmers heat up to 145°F and are available in multiple finishes and models.

Did you know you can resolve steamy bathrooms and fogged mirrors for less than \$100? Warmup **Mirror Defoggers** connect straight to your light switch. You can stick them behind almost any new or existing mirror and regain the convenience of a clear, fog-free mirror.

Warmup **floor heating** is more than a bathroom luxury. For around \$1,000, it is a tested, proven and reliable heat source in any bathroom, replacing wall-heaters or baseboards. Our heated floors come with over 25 years of experience, R&D and 2 million applications worldwide. That's over 4 million warm feet! Radiant heated floors are the healthiest way to heat a space. They provide complete design freedom and require zero maintenance.

With our SafetyNET Guarantee and 30-Year product warranty, you can choose Warmup with confidence. Go ahead and Warmup your floor™.
