Customer agrees to forfeit said security deposit for any equipment that is not returned by designated due date or is returned damaged.

## RENTAL TERMS AND CONDITIONS

1. Warmup will provide the described equipment free of charge to the Customer as a courtesy for a period of four weeks (28 days). By the end of that period the equipment must be in Warmup's possession and found to be free of damage.
2. If for any reason equipment is not returned to Warmup and found to be free of damage within the four week courtesy period, Customer agrees to forfeit the entirety of the security deposit to Warmup.
3. The Customer shall keep, maintain and return the equipment during the term of the courtesy period at his own cost and expense, including any and all freight, insurance or customs charges. The Customer shall keep the equipment in a good state of repair, normal wear and tear excepted.
4. Customer shall inspect the equipment delivered and shall immediately notify Warmup of any missing parts or if the device is not functioning. Failure to provide such notice within two days after the delivery of the equipment will presume Customer has accepted the equipment as specified. Any subsequent claim that the equipment was not provided in fully functional order will not be considered.
5. Warmup makes no warranty of any kind regarding the rented equipment, except that Warmup shall replace the equipment with identical or similar equipment if the equipment fails to operate in accordance with the manufacturer's specifications and operation instructions. Such replacement shall be made as soon as available after Customer returns the non-conforming equipment.
6. Liability for injury, disability, and death of workers and other persons caused by operating, handling, or transporting the equipment during the term of this courtesy period is the responsibility of the Customer, and the Customer shall indemnify and hold Warmup harmless from and against all such liability.
